OBJECTIVE

Computer Science undergraduate at Central University of Jammu with a strong interest in Full Stack Web Development and Artificial Intelligence/Machine Learning. Proficient in HTML, CSS, JavaScript, React, and Python, with hands-on experience in building responsive web applications and working with AI/ML. Developed projects such as portfolio websites, weather applications, and React-based task management systems. Passionate about learning modern technologies, improving problem-solving skills, and contributing to innovative solutions that address real-world challenges.

EDUCATION

B.Tech — Computer Science & Engineering
Central University of Jammu (2024—2028)
CGPA: 8.13 / 10

Relevant Coursework: Data Structures, Object-Oriented Programming (Java & C++), Database Management Systems, Operating Systems, Web Development

---

SKILLS SUMMARY

- Languages: C++, Python, JavaScript, Java
- Frontend: HTML5, CSS3, Tailwind CSS, Bootstrap, React.js
- Backend: Node.js, Flask
- Tools & Platforms: Git, GitHub, VS Code, IntelliJ
- AI / ML Tools: NumPy, Pandas, Matplotlib

PROJECTS

Dating Web Application

- Built interactive profile cards with animations using HTML, CSS, JavaScript
- Implemented responsive layout using component-based architecture

Personal Portfolio

- Developed a personal portfolio website using HTML, CSS, JavaScript
- Showcased projects, technical skills, and contact integration

Weather Web Application

- Developed a responsive weather application using HTML, CSS, and JavaScript
- Integrated real-time Weather API to fetch and display live weather data

To-Do List Application

- Built a React-based To-Do List application using component-based architecture
- Implemented dynamic task management (add, delete, mark complete) using React Hooks

Number Guessing Game

- Developed a console-based number guessing game using Python
- Implemented random number generation and conditional logic for user Input validation

Console-Based Calculator

- Developed a basic calculator using C
- Implemented arithmetic operations including additions subtractions multiplications and division

---

CERTIFICATE

- JavaScript Certification — Knowledge Gate
- Al/ML and web development courses from Coursera
- Internship in Generative Al

ACTIVITIES

- Participant — Smart India Hackathon
- Participated in college-level coding competitions
- Active member in technical events and workshops
